The Composable MarTech Stack

Advantages:

-  Faster go-to-market
-  Operational independence
-  Extend legacy DXP value
-  Shift focus to CX outcomes

A decoupled, composable architecture seamlessly integrates diverse marketing technologies including monolithic platforms, all-in-one digital experience platform (DXP) suites and MACH (Microservices-based, API-first, Cloud-native SaaS and Headless) technologies.

2023 MarTech Stack

Creating the right martech stack is essential to the success of growing our happy & healthy customers. We work like a giant tree where each part plays an essential role to the overall development and growth.

<https://ryzo.io/>

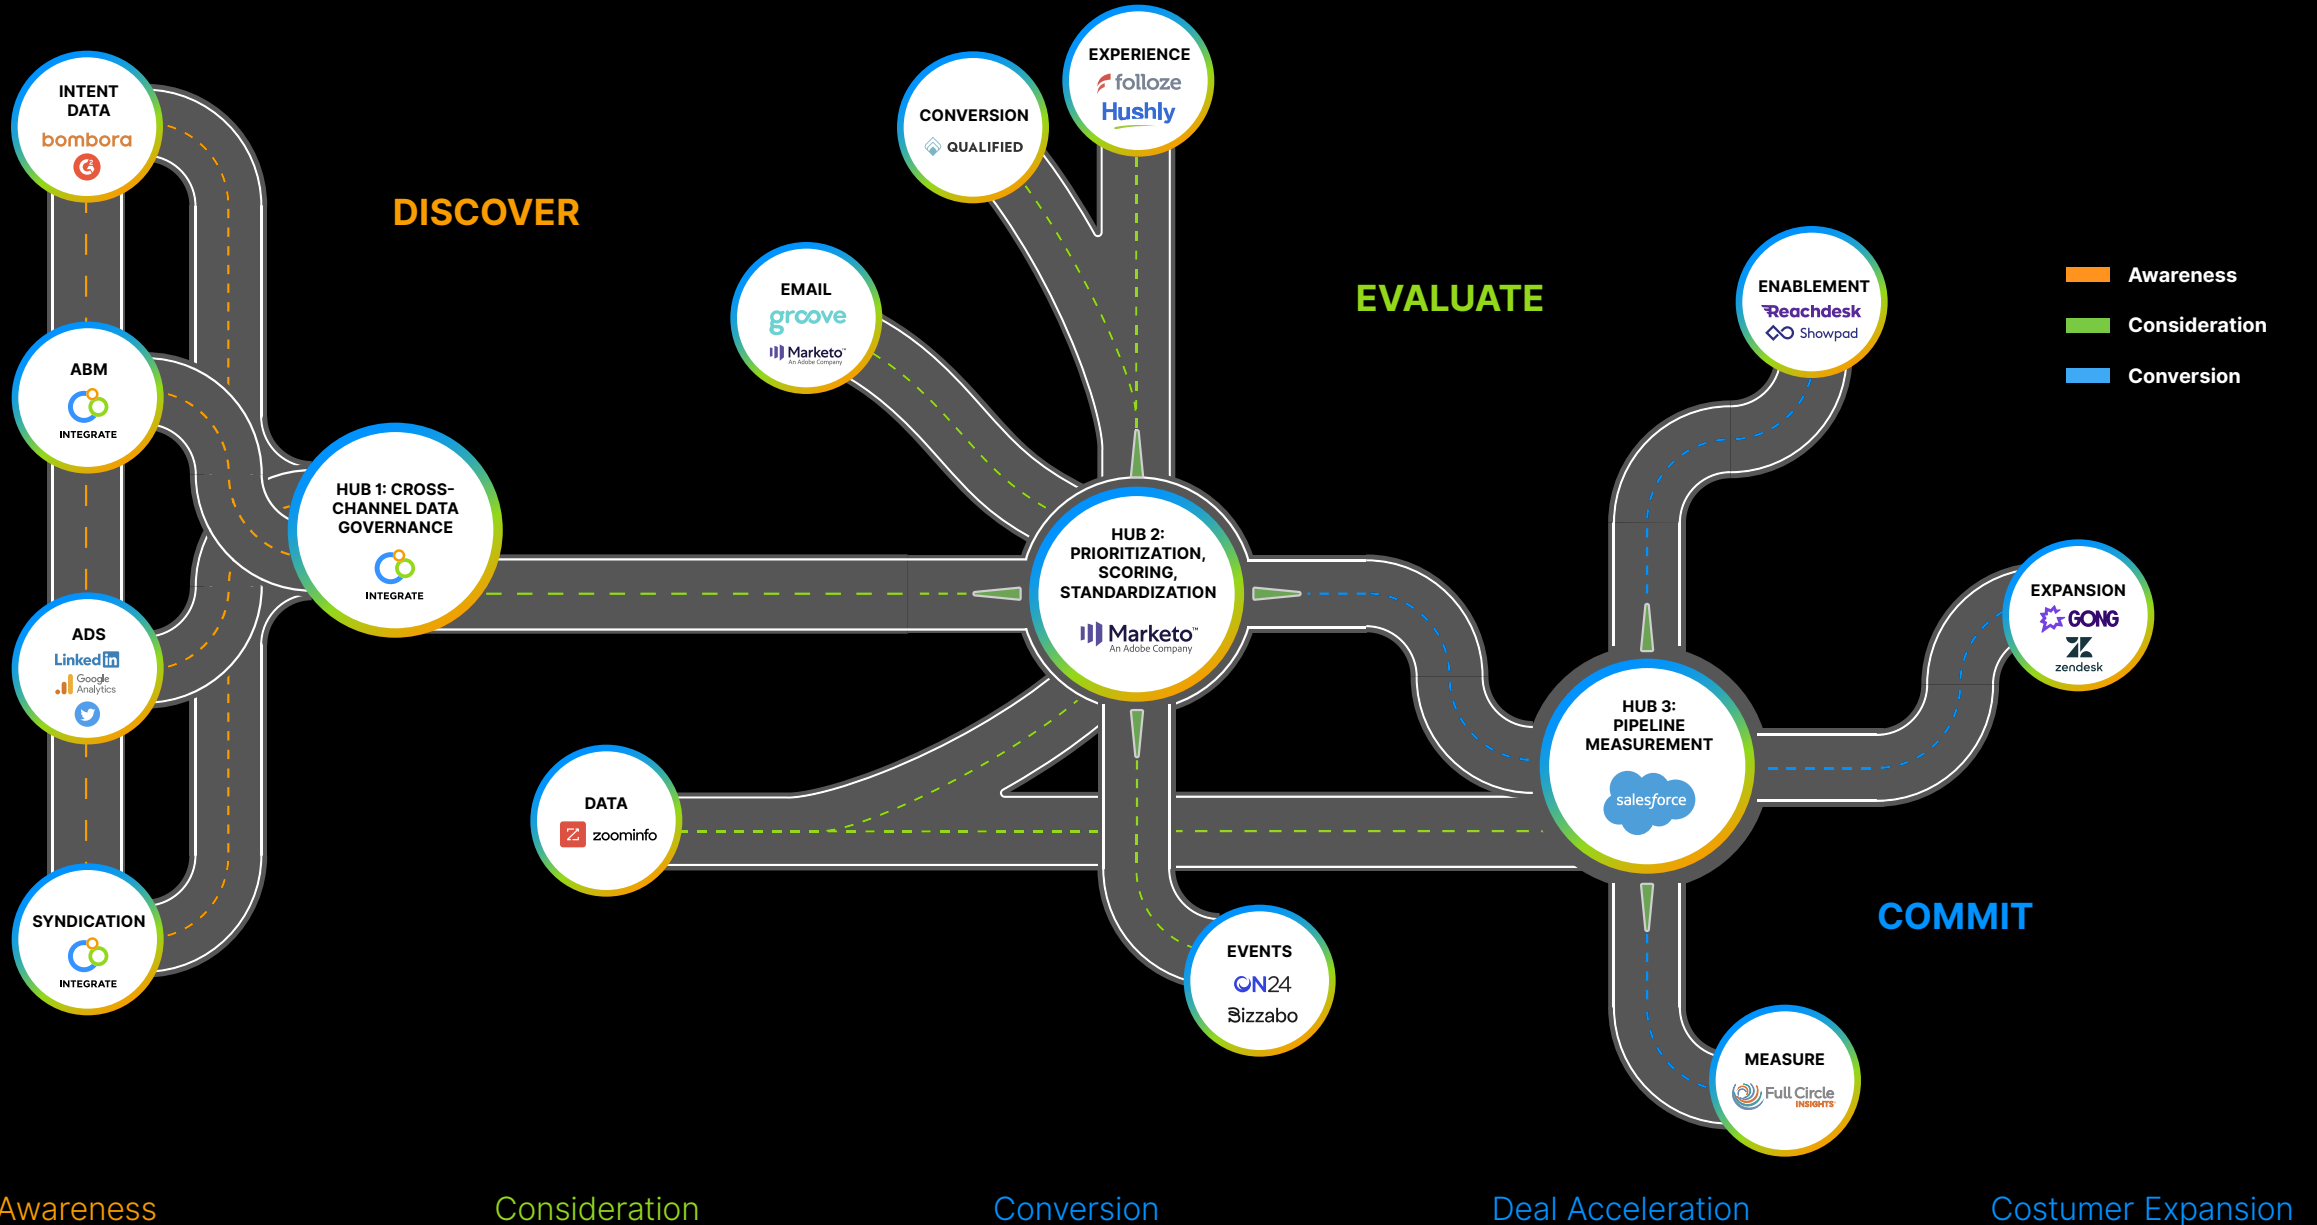

a FUCO & Ryzo Co., Ltd product

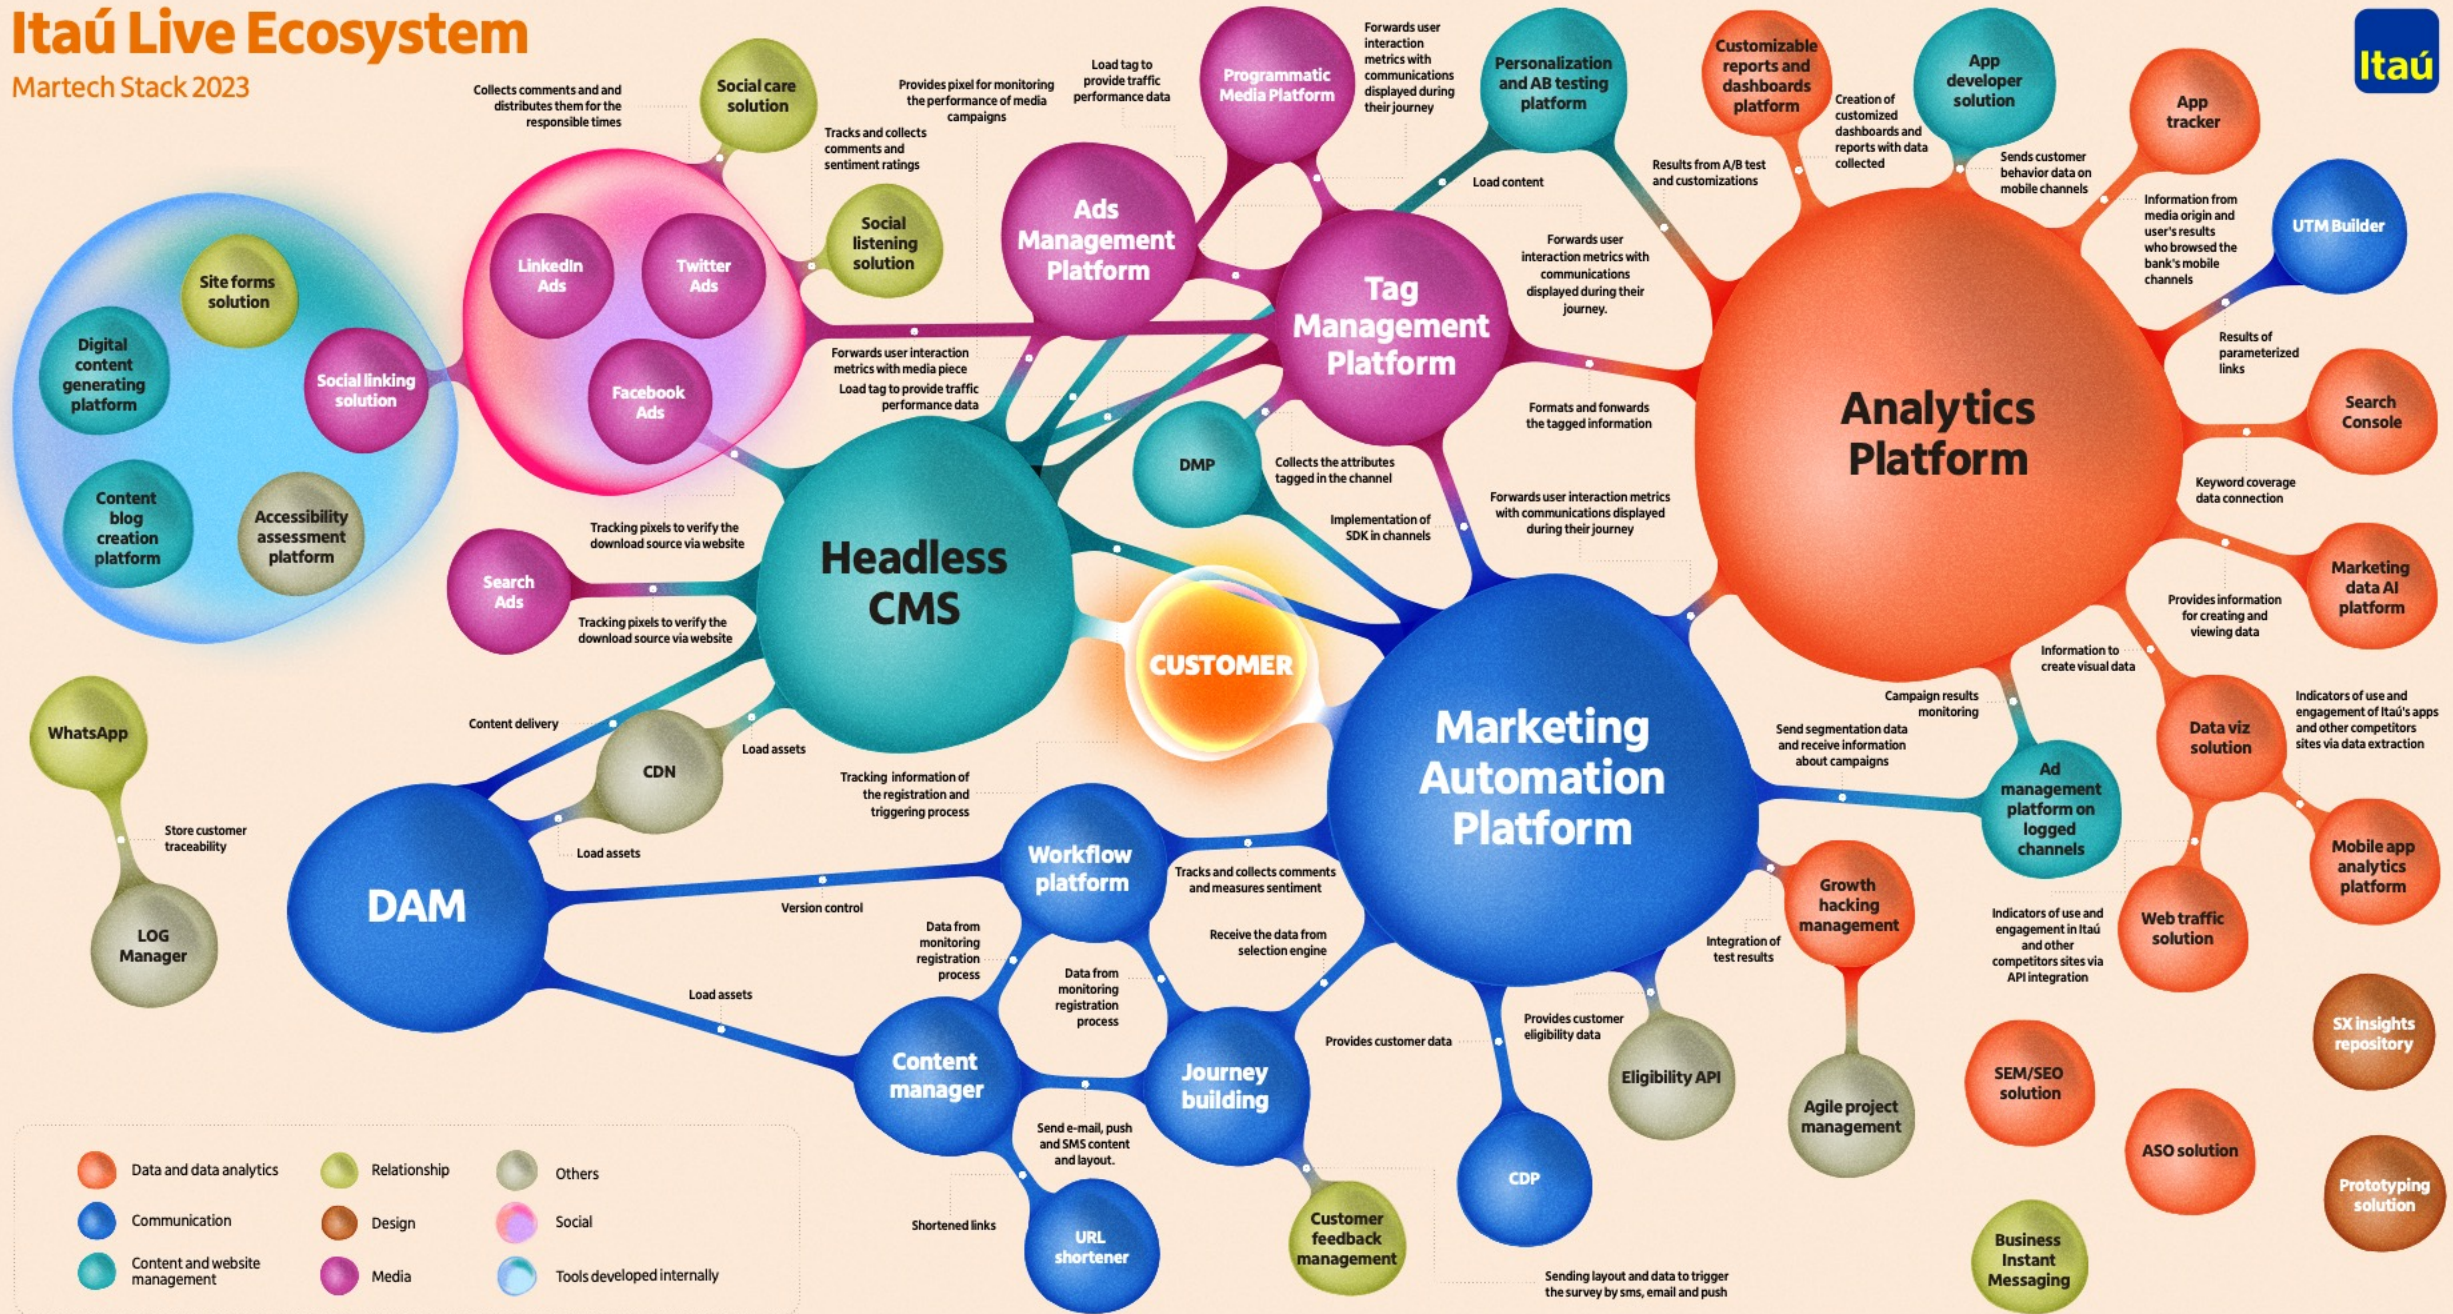

What if technology can answer the biggest question? IBM's technology stack translates data into insights needed to drive meaningful transformation through cutting-edge technology. The result is a continuously integrated experience that powers key business imperatives resulting in IBM revenue growth.

Majid Al Futtaim Franchises

Majid Al Futtaim is a leading lifestyle conglomerate spanning 16 countries across the Middle East, Africa and Asia with owned assets valued at US\$18 billion. The company employs 46,000 people representing 114 nationalities and welcomes 600 million customers to its shopping malls, communities, retail and entertainment destinations each year.

Connect all parts of the customer journey. With the Marini Integration Platform.

BRIDGING THE CUSTOMER EXPERIENCE

Merkle's Technology Stack is built on six key pillars that support connected customer journeys. Each pillar features technologies that enable capabilities for customer centric moments.

Experience
Creating and optimizing customer experiences

Content and Commerce
Creation and management of content, commerce & assets

Orchestration
Creation and governance of audiences and interactions

Analytics
Audience insights and marketing measurement

Data
Consumer data stores and data democratization

Identity
Consolidated identification of consumers and their data collection preferences

★★★★★ Best Shaver I've Used
This S9000 gives such a close shave. It took nice too. I like the battery feature which shows how much charge is left, my previous Philips shaver just ran out of charge without me knowing in advance.

I'm a Growth Marketing Manager in a medium-sized enterprise and my Stacklr Scorecard is my visual stack. My scorecard illustrates my stack experience across strategies, functions, tools, expertise levels and roles.

Our Stackie submission this year is inspired by the **Oscar and Golden Globe winning song 'Naatu Naatu...'** from the global box office hit 'RRR'.

It showcases the tango between sales and marketing stacks (SMartech) to create

Relevance

- of **Content** (messaging and value proposition)
- and **Campaigns** (right target audience)

Reach

- Use of right **Channels**

Revenue

- Nurturing the target audience through the buyer's journey of brand **Cognition, Conversation** and finally sale **Conversion**
- and optimizing all efforts via feedback loops and analytics (**Calibration**)

Curating buyer's journey at every stage.

1. Awareness

Familiarizing buyers through Owned / Paid / Earned and Shared mediums.

2. Interest

Nurturing buyer's interest via E-books / Whitepapers / Landing Pages / Social Media / Paid Media / Emails, and more.

3. Decision

Enabling buyer's decisions through tools like Success Stories / Discovery Calls / Workshops / Demos, and more.

4. Purchase

Helping clients with Onboarding / Service Experience Designing / Adoption.

5. Loyalty

Ensuring advocacy through Testimonials / Executive Council Membership / NPS.

AI MARKETING TOOL STACK

Marketer, meet the machines. The AI tool stack helps marketers arrive at their objectives faster, with fewer resources, and with better outcomes.

Presented by  unbounce

OPERATIONS

SheetAI
Describe what you want in plain English, and watch the magic happen in your spreadsheet.

Mem
The world's first AI-powered workspace that's personalized to you.

Beautiful.ai
Beautiful.ai jumpstarts your presentations. It's easy to start, finish, and impress in no time.

AUDIO AND VISUAL

Murf.ai
Go from text to speech with a versatile AI voice generator

Synthesia
Create professional videos in 15 minutes

DALL-E 2
Create realistic images and art from a description in natural language.

Canva
Watch your words and phrases transform into beautiful images.

Otter.ai
An AI meeting assistant that records audio, writes notes, and generates summaries.

SALES + SUCCESS

Native
Your partner for seamless communication across languages.

Intercom
Fin is an AI bot that accurately and immediately answers customer questions

Jason AI
B2B sales assistant powered by ChatGPT

Dialpad
Dialpad AI delivers an accurate, AI-curated synopsis and next steps after every call or meeting.

RESEARCH

Browse.ai
The easiest way to extract and monitor data from any website.

Chat GPT
Trained to follow an instruction in a prompt and provide a detailed response.

COPY + TEXT

Smart Copy
Generate marketing copy in seconds.

Notion.ai
Access the limitless power of AI, right inside Notion.

Grammarly
Unblock your ideas and enable accelerated productivity

WEBSITES + LANDING PAGES

Unbounce
AI landing page creation and optimization.

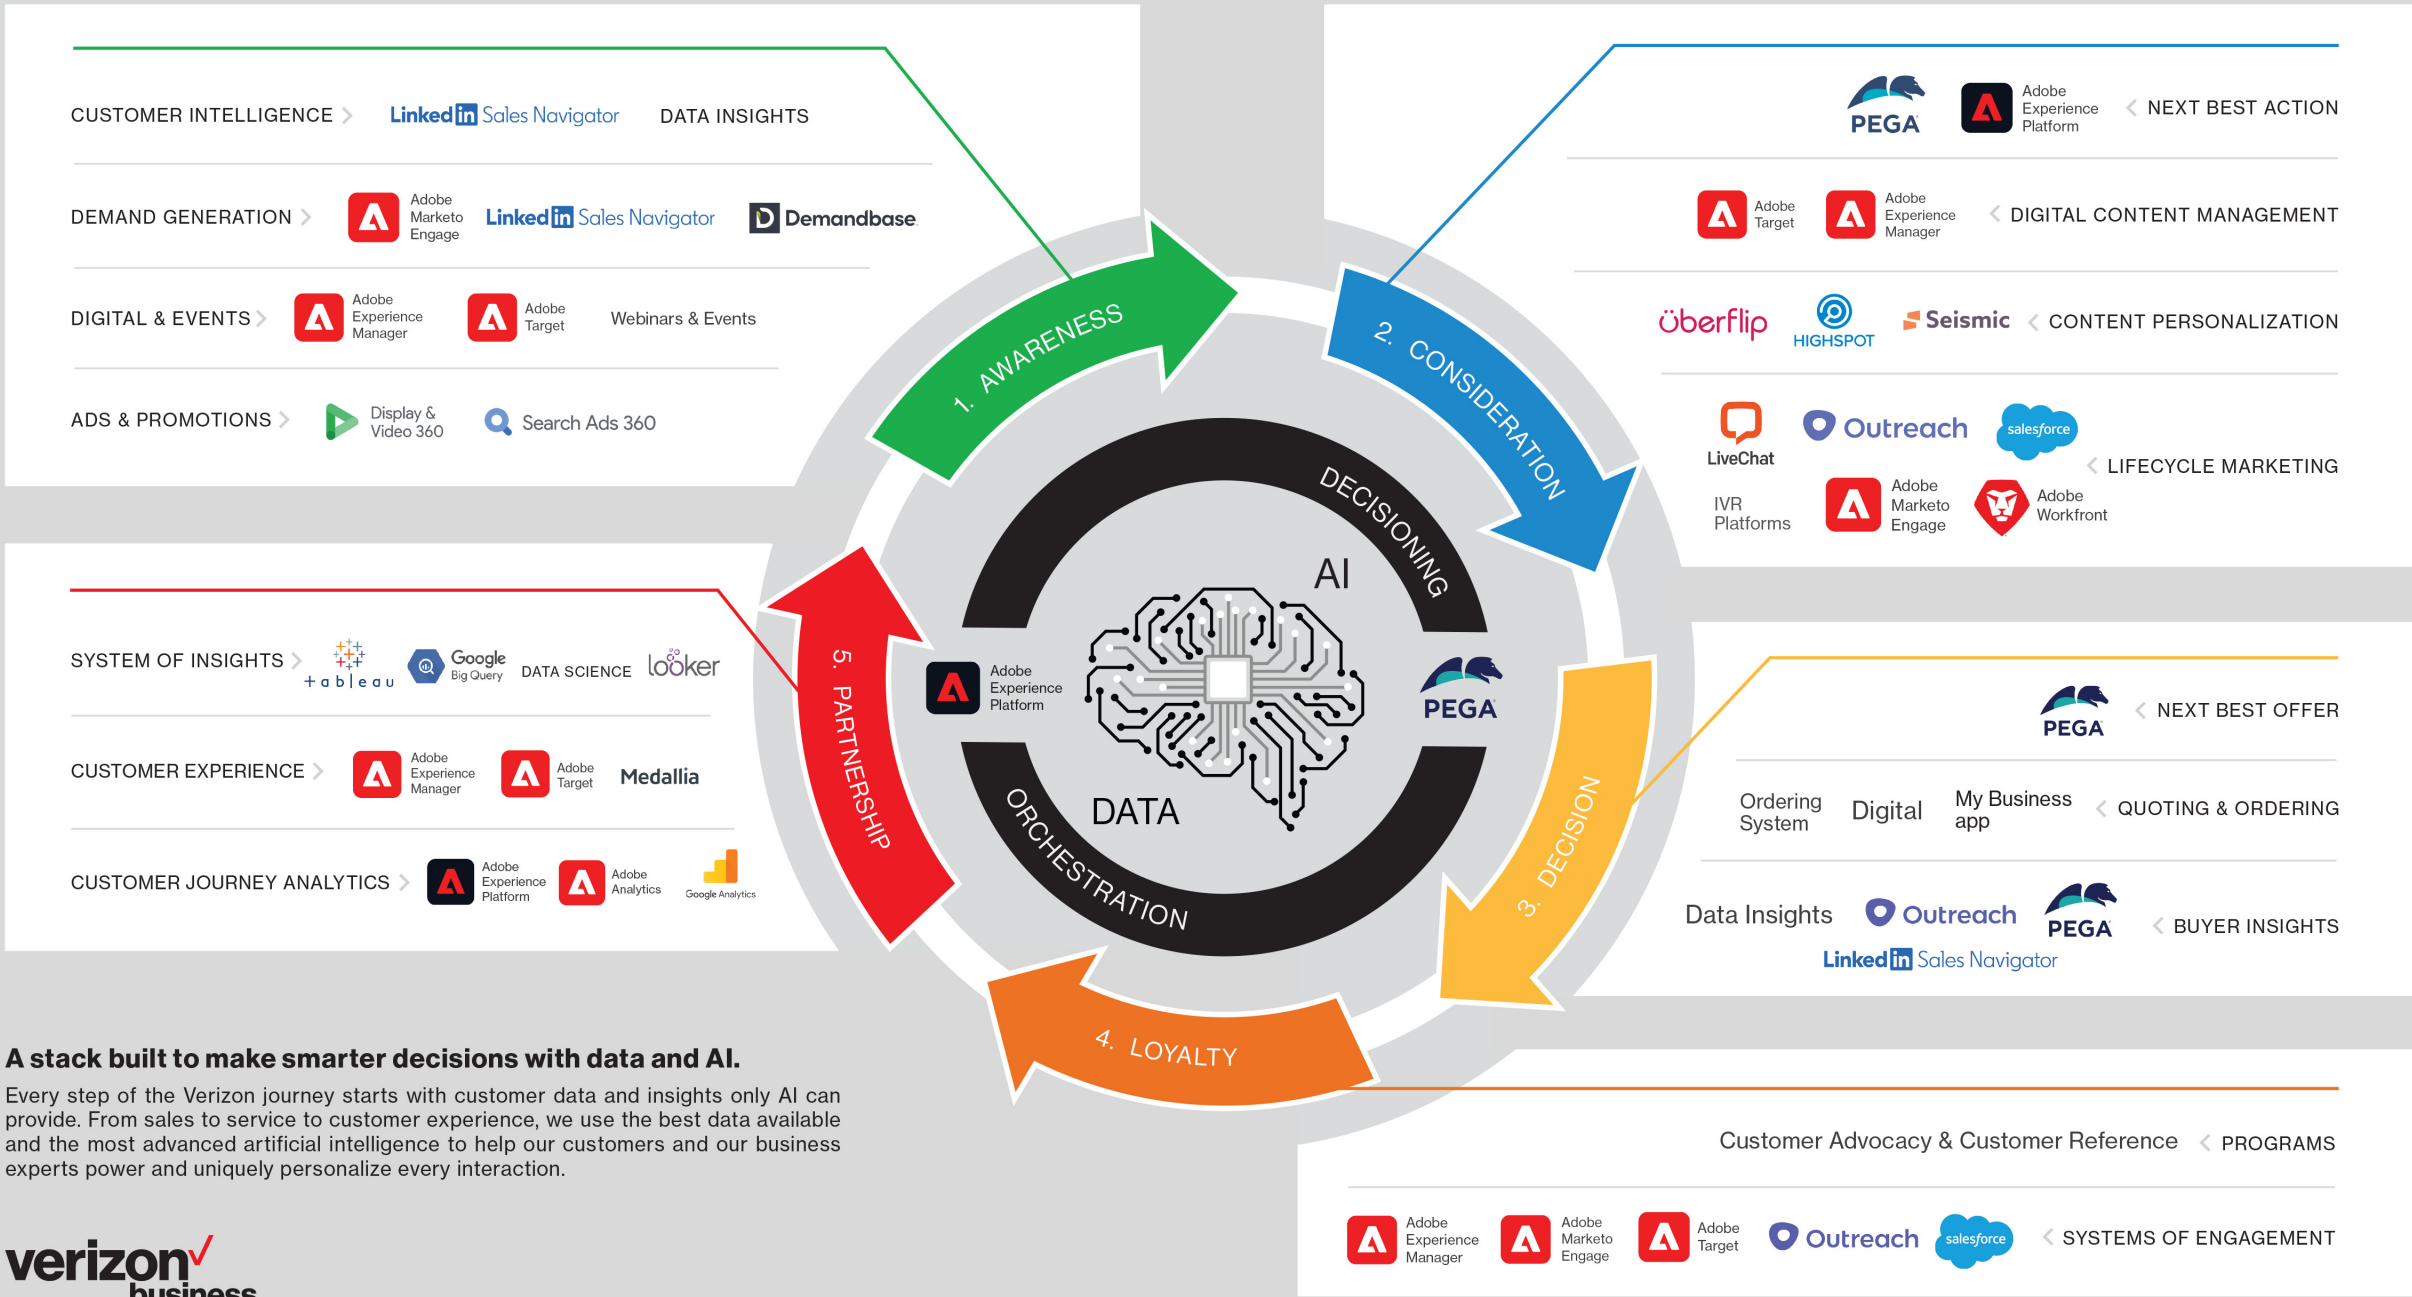

The.com
A website automation platform for generating web pages at scale.

Durable
Start a website quickly with AI.

2023

AI Marketing Stack V1.0

A stack built to make smarter decisions with data and AI.

Every step of the Verizon journey starts with customer data and insights only AI can provide. From sales to service to customer experience, we use the best data available and the most advanced artificial intelligence to help our customers and our business experts power and uniquely personalize every interaction.
